### **Forward-Looking Statements**

This release contains certain forward-looking statements that are based on management's exercise of business judgment as well as assumptions made by, and information currently available to, management. When used in this document, the words "may", "plan", "will", "anticipate", "believe", "estimate", "expect", "intend", and words of similar import, are intended to identify any forward-looking statements. You should not place undue reliance on these forward-looking statements. These statements reflect our current view of future events and are subject to certain risks and uncertainties as outlined in the Company's Annual Information Form and other filings made with securities regulators, which are available on SEDAR ([sedar.com](http://sedar.com)). These factors include, without limitation: expansion opportunities, technological changes, regulatory changes (including mortgage insurance rules), and changes to the business and economic environment, including, but not limited to, Canadian housing market conditions and activity, interest rates, mortgage backed securities markets, and employment conditions that may impact the Company, its mortgage origination volumes, investments and capital expenditures, and competitive factors that may impact revenue and operating costs. Any of these factors, amongst others, could cause actual results to vary materially from current results or from the Company's currently anticipated future results and financial condition. Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, our actual results could differ materially from those anticipated in these forward-looking statements. We undertake no obligation, and do not intend, to update, revise or otherwise publicly release any revisions to these forward-looking statements to reflect events or circumstances after the date hereof, or to reflect the occurrence of any unanticipated events. Although we believe that our expectations are based on reasonable assumptions, we can give no assurance that our expectations will materialize.
